## ISSUE EDITION

---

Twice a year, discover 100 new faces from diverse backgrounds and their world as well as the behind the scenes of fashion through designers, brands and new collections.

The questions we ask ourselves as events approach, who to know, how to access or even the locations of the shows and who will be there. Issue gives you the answers.

---

## ISSUE OPEN CASTING

---

Open online casting broadcast through social networks reserved for black and mixed-race women. Looking for diverse personalities from different world who have an interest in the arts including music, photography and acting.

Benefit from tailor-made marketing, communication, being connected, networking, opportunities and visibility on international showcase.
